Jun 24, 2019 "You Are The Commuter" This new series is based on the concept of Detecting the person responsible of committing acts of terrorism on Mumbai's Line 1, the best ever to come to this genre. Directed by Vikram Bhatt and Rahul Dholakia, is very well written and story tells about the changes that have affected the lives of the Indian Railway. References Category:Hindi-language television programsThis is the place where the bread (the act of love) is shared, the secrets of making it from scratch is revealed, and lots of fun and humor and angst and romance and life and death and stuff. Friday, January 19, 2012 The Aquarium Here are a few things from this past week. The aquarium is still running pretty smoothly. The cleaning lady did an awesome job on Monday, and she cleaned the inside and the outside of the tank thoroughly. She did leave just a little corner of the filter box sitting on a rock, but it got fixed, and the water is clean and the fish are happy. I think she might be a little too happy and might have misplaced the fertilizer, but I don't know how I can replace the fertilizer that I don't have, and the water is still all it should be. The orca has a lot of antics to play out that can only be seen with a good camera. Here's one of the best, a "shark eat fish" moment. He is just about to eat up a shiner, then he drops the fish back into the water. Big miss today because the orca wasn't around to take any pictures. He was just doing his daily run around the tank. The waterfall is still working great. It was one of the main purposes for 4bc0debe42
